## MONTANA HOUSE OF REPRESENTATIVES

January 30, 2013

Rep. Mark Blasdel, Speaker of the House  
Capitol, Office of the Speaker  
Helena, MT 59620

Dear Mr. Speaker,

The members of the House State Administration Committee note the appointment and assigned duties of the House Joint Select Committee on Pensions. We are all aware of the important work that must be done to address the challenges in the funding of retirement benefits now and in the future and wish all the best to the select committee as it moves forward.

As the House committee that has traditionally been charged with handling pension bills, we respectfully request that you keep us informed of the select committee's work so that we may remain ready to engage these pension issues as called upon by our constituents to do so.

Respectfully,
